About Me

Fresh graduate Software Engineer (ENSA Khouribga, July 2025) driven by a deep interest in databases, AI, and Oracle Cloud (OCI). Focused on smart data systems, backend performance, and real-world impact. Eager to contribute to cutting-edge projects in database engineering and intelligent cloud solutions.

Skills

- **DBMS & Tools:** Oracle APEX
- **Languages:** PL/SQL, Python, Java , JavaScript
- **Frameworks:** Spring Boot, Django
- **DevOps:** Git, Jenkins, Docker
- **Testing:** utPLSQL, JUnit, Selenium
- **Analytics & BI:** Power BI, Hadoop
- **OS:** Linux (Fedora, CentOS, Kali)
- **Design:** Figma, Canva

Education

- **Degree in Software Engineering**
ENSA Khouribga 2020-2025
Major in Computer Science and Web Development, with strong emphasis on databases, AI, and cloud technologies .
- **Baccalaureate in Physical Sciences (3.5 GPA)**
Borcelle University 2017-2020
I studied at Imam Ali High School and graduated with honors in physical sciences in 2020.

Experience

- **Research Assistant – Casablanca**
Feb 2025 – Present
APEX | JAVASCRIPT | PLSQL | UTPLSQL | CSS 
Worked with the TPLTA team on adding new features to the existing application using APEX and PL/SQL, enhancing the design with JavaScript and CSS, and writing unit tests using utPLSQL. Also contributed to database automation as part of Oracle Cloud Infrastructure (OCI).
- **Software Engineering Intern**
MyOCP App – Khouribga
July 2024 – August 2024
Django | Bootstrap | JAVASCRIPT 
Developed software tools and optimized reservation request processes on the MyOCP platform for the OCP Khouribga accommodation center.
- **Software Engineering Intern**
OCP Group – Khouribga
Aug. 2023
FLASK| Bootstrap | JAVASCRIPT 
Built a machine learning model for predicting phosphate production quantities and revenue.

Education

- **Team Leader for MDS Talks Season 2**
MDS- Moroccan Data Scientists
Nov 2024 - Feb 2025 
Organized masterclass sessions and led a talented team. Our sessions featured industry experts discussing tech trends and personal development.
- **Deputy Campus Director**
Hult Prize Foundation
Oct. 2023– Apr. 2024  
Secured sponsorships and coached teams during the social entrepreneurship competition
